

# Dennis Stevens, Ed.D. – Speaking & Workshops

Veteran • Educator • Narrative Healer

Dennis offers keynotes, facilitation, and workshops for those navigating grief, transformation, and meaning-making. He invites participants to explore emotional depth, reframe personal stories, and reclaim inner authorship.

Rooted in symbolic thinking and peer-led healing, Dennis creates soul-centered experiences through story and ritual.

## Core Topics & Keynotes

- The Descent Journey – Symbolic descent as a path to clarity and change.
- Grief & Masculinity – Emotional truth beyond stoicism and shame.
- Soul's Voice in a Noisy World – Ritual and reflection as inner guidance.
- Veteran Narrative Healing – From moral injury to personal meaning.
- Warrior Archetype Reimagined – From domination to devotion.

## Signature Workshop: Transforming Experience Through Story & Art

A 4-hour, peer-led session for veterans exploring emotional healing and identity transformation.

Narrative writing, collage, and reflective dialogue offer accessible tools for posttraumatic growth.

Participants will:

- Reclaim personal stories through writing.
- Use collage to externalize emotion and gain insight.
- Share and reflect in a peer-driven group setting.

No experience in art or writing is required—just openness to discovery.

Adaptable for Warrior PATHH, Save-A-Warrior, and similar programs.

## Booking Formats

- Keynotes • Retreats • Trainings • Guest Lectures
- Community Healing Events • Virtual or In-Person
